WEEKLY UPDATE

October 12, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We continue to conduct mass staff testing on a weekly basis. Should anything change and/or your loved one need tested, we will notify you.

Per my previous letter last week, we are now conducting indoor visitations. Indoor visits began last Thursday, October 8th, and participation has been very good. As a reminder, we continue to offer alternate methods of communication as well. You can choose from a phone call, a video call, a window visit, an outdoor visit (weather permitting) and now an indoor visit.

Indoor, window and outdoor visits all begin at the top of the hour and may last up to 30 minutes. Please plan to arrive a few minutes early for any necessary screenings that may be required.

Visitation Schedule

Monday through Friday 10AM – 3 PM	Lunch Break for our residents between noon and 1 PM
Saturday and Sunday	9AM - Noon

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-334-2319.

Sincerely,

Sheila Jones-Marino
