EQUAL OPPORTUNITY EMPLOYER

Also, I hope you have been hearing nice comments from your loved one on the meals offered with our new spring/summer menus. There are multiple opportunities for seasonal fresh fruit and vegetables. A resident favorite thus far has been the colorful chef salad and homemade mushroom soup.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-334-3345.

Sincerely,

Sheila Jones-Marino
