Dear Residents and Families/Representatives,

We are happy to report that, as of today, Oakland Nursing and Rehabilitation Center has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working very hard to make sure they are safe, we also want to make sure they are having some fun! We continue with in room activities at this time to include phone calls, facetime visits, coloring and bingo to name a few things. This past Father's Day weekend we initiated our window visits. They were very well received, with many happy reunions and smiling faces.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 301-334-2319

Sincerely,

Sheila Jones-Marino
