## WEEKLY UPDATE

**September 14, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We continue to mass test our employees on a weekly basis.

Everyone enjoyed the “resident choice meal” this past week. For this special meal, resident council members chose boneless BBQ ribs, baked potatoes with butter, cheese and sour cream (on the side), cooked broccoli and fresh corn on the cob they had shucked themselves. Topping off this special meal was strawberry shortcake for dessert.

We continue with our outdoor visits along with window visits at this time. Be sure to call the receptionist and schedule ahead and select the type of visit that best suits you and your loved one.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-334-2319.

Sincerely,

*Sheila Jones-Marino*
