WEEKLY UPDATE

September 20, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We are continuing to test staff on a weekly basis.

It appears that fall has arrived in Oakland. With the onset of fall brings very crisp mornings and inconsistent temperatures even though we are experiencing bright and sunny days. As you are scheduling your outdoor visits, please keep in mind that inclement weather and temperatures may dictate your visit be converted to a window visit without advance notice. Please keep in mind that our residents are likely to be more susceptible to cooler temperatures than we are.

As a reminder, feel free to schedule a video chat or phone call through our activities department. Also, a reminder, we attempt to accommodate every resident call or video request. However, there may be times when your call or video chat may have to be canceled or rescheduled if your loved one chooses not to participate at the established time. Or activity staff will be touching base with you to refresh the call and video chat schedules for the upcoming weeks.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-334-2319.

Sincerely,

Sheila Jones-Marino
