

**WEEKLY UPDATE**  
**September 28, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. As with previous notifications, we continue to mass test our staff members weekly.

This past week our resident enjoyed their “Resident Choice Meal” consisting of popcorn shrimp, french fries, cole slaw, and for dessert a baked apple with ice-cream and caramel sauce.

To date, both outdoor and window visits have been very successful and much enjoyed by all. Thank you for your patience and compliance with our required processes and screenings.

With fall weather upon us bringing cooler temperatures and shorter daylight hours we have reevaluated our visitation plans and have discontinued evening visitation on Tuesday and Thursdays. Our revised schedule is listed below and appointments can be scheduled through the receptionist at the center. Also, please be reminded you can arrange for a video visit through face time/google or a telephone call arranged with the activities department.

**Revised window or outdoor visitation schedule**

Monday through Friday	10:00am to 3:00pm; lunch break from Noon - 1 :00pm
Saturday and Sunday	9:00am to Noon

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-334-2319

Sincerely,

*Sheila Jones-Marino*
