## WEEKLY UPDATE

**September 8, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility.

We hope everyone is enjoying the opportunity for outdoor visitation, even though the weather was not especially cooperative this past week. It looks like plenty of sunshine on tap this week, so be sure to call our receptionist and get your visit scheduled. Also, be reminded that if an outdoor visit isn't the best choice for you and your family, we still offer the window visits as an option.

With Summer winding down, we enjoyed a Labor Day lunch of picnic foods – which is always a favorite with our residents. Hamburgers, macaroni salad, chips, watermelon, honey dew and cantaloupe. We will be offering fresh corn on the cob again soon, hand shucked by our residents. They absolutely love getting involved, for most it brings back memories a plenty of days gone by.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-334-2319.

Sincerely,

*Sheila Jones-Marino , CNHA FACHCA*
